Ben Split 1

2 self portraits split in half
and recombined with word
reality and word fantasy on
each side

Ben Split 2

The other sides of 2 self
portraits split in half and
recombined with word
reality and word fantasy on
each side

Who is Fantasy?

Where is Reality?

Ben 2 Direct

2 self portraits back to back
facing opposite directions
with words who is fantasy?
and where is reality?

Adventures

in my mind

Ben Adventurous Mind

2 self portraits one of which
is looking into a hole and the
other is too while the first
my mouth is happily open
and the other with my hair
flying in the wind with
words adventures in my
mind

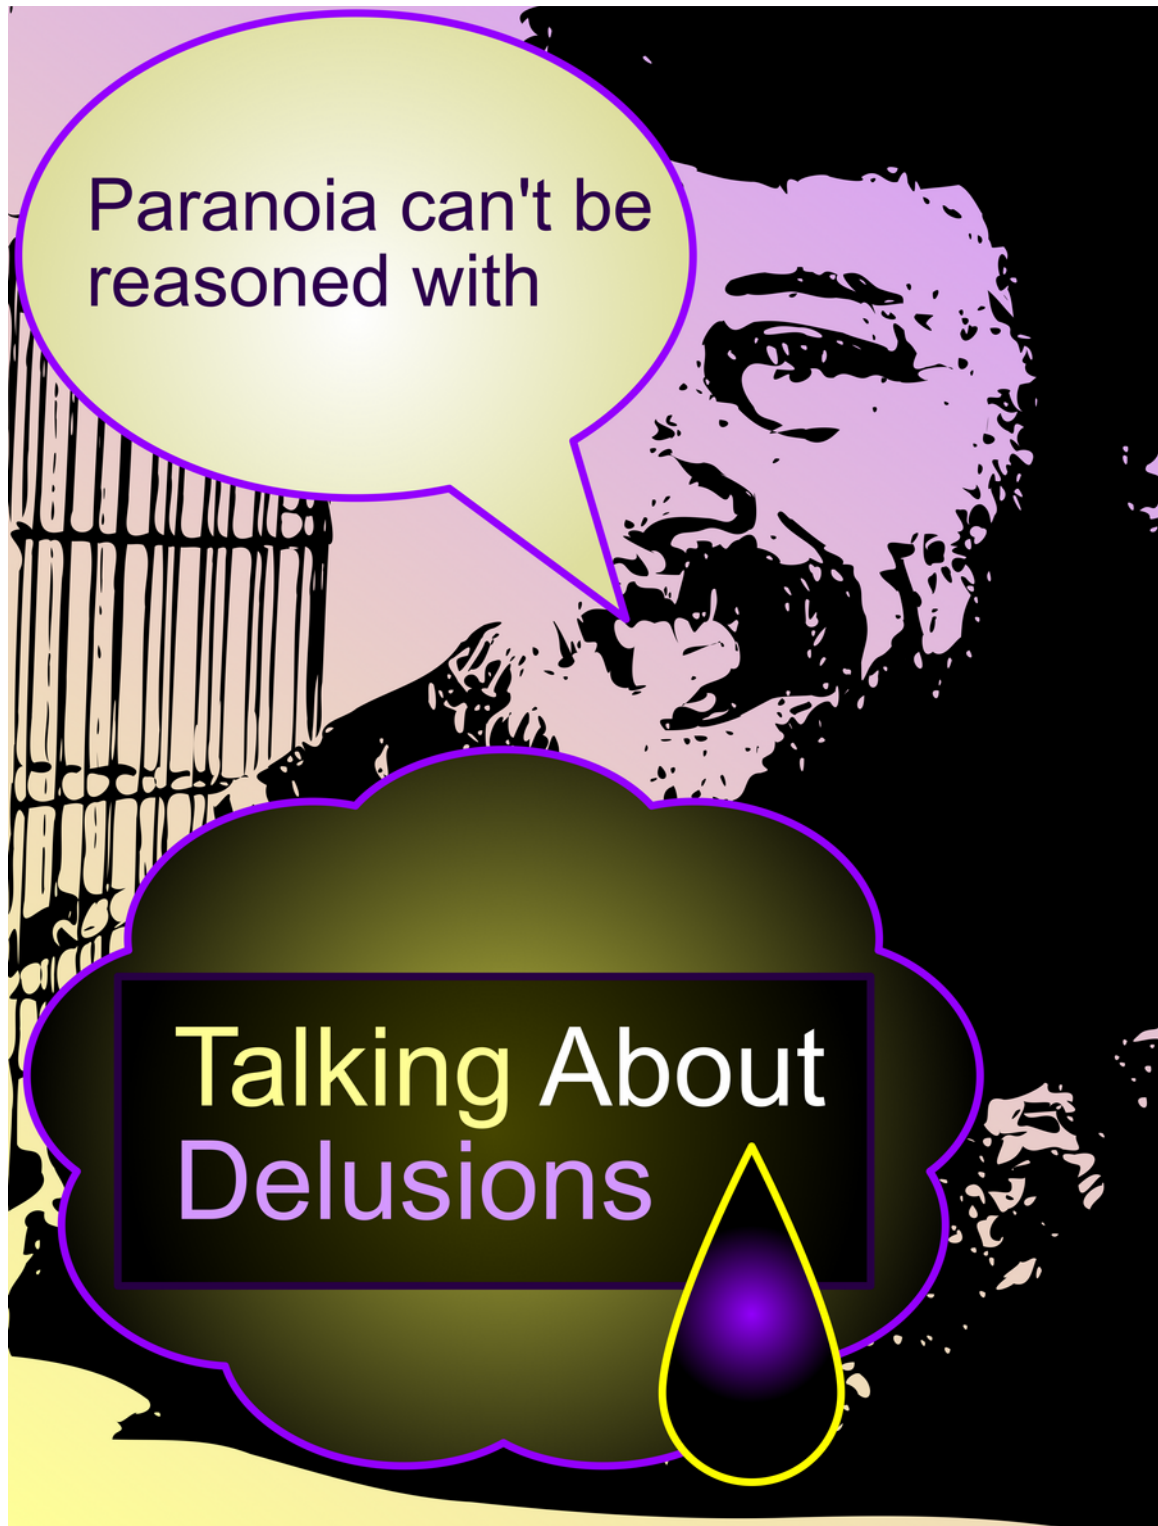

Ben vs. Ben

2 self portraits with one
looking over his shoulder
suspicious of the other one
unsure as well with words
Ben vs. Ben

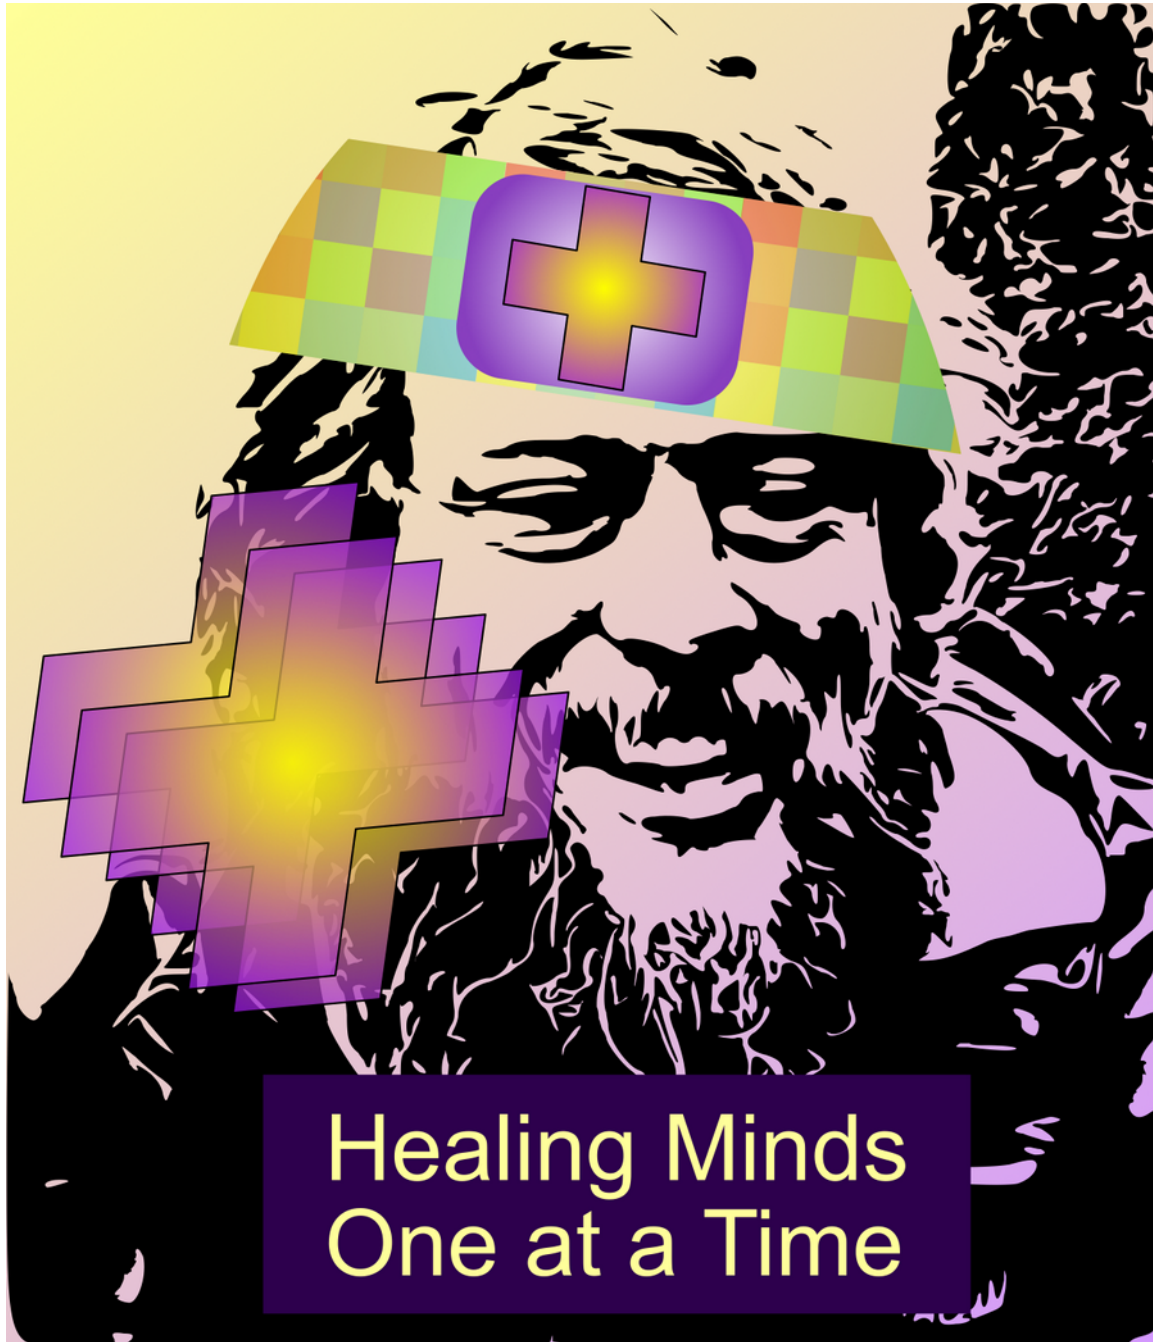

Ben Medicine Pill

1 self portrait in shape of pill
with yellow bottom and
purple top and words at
bottom some medicines
work

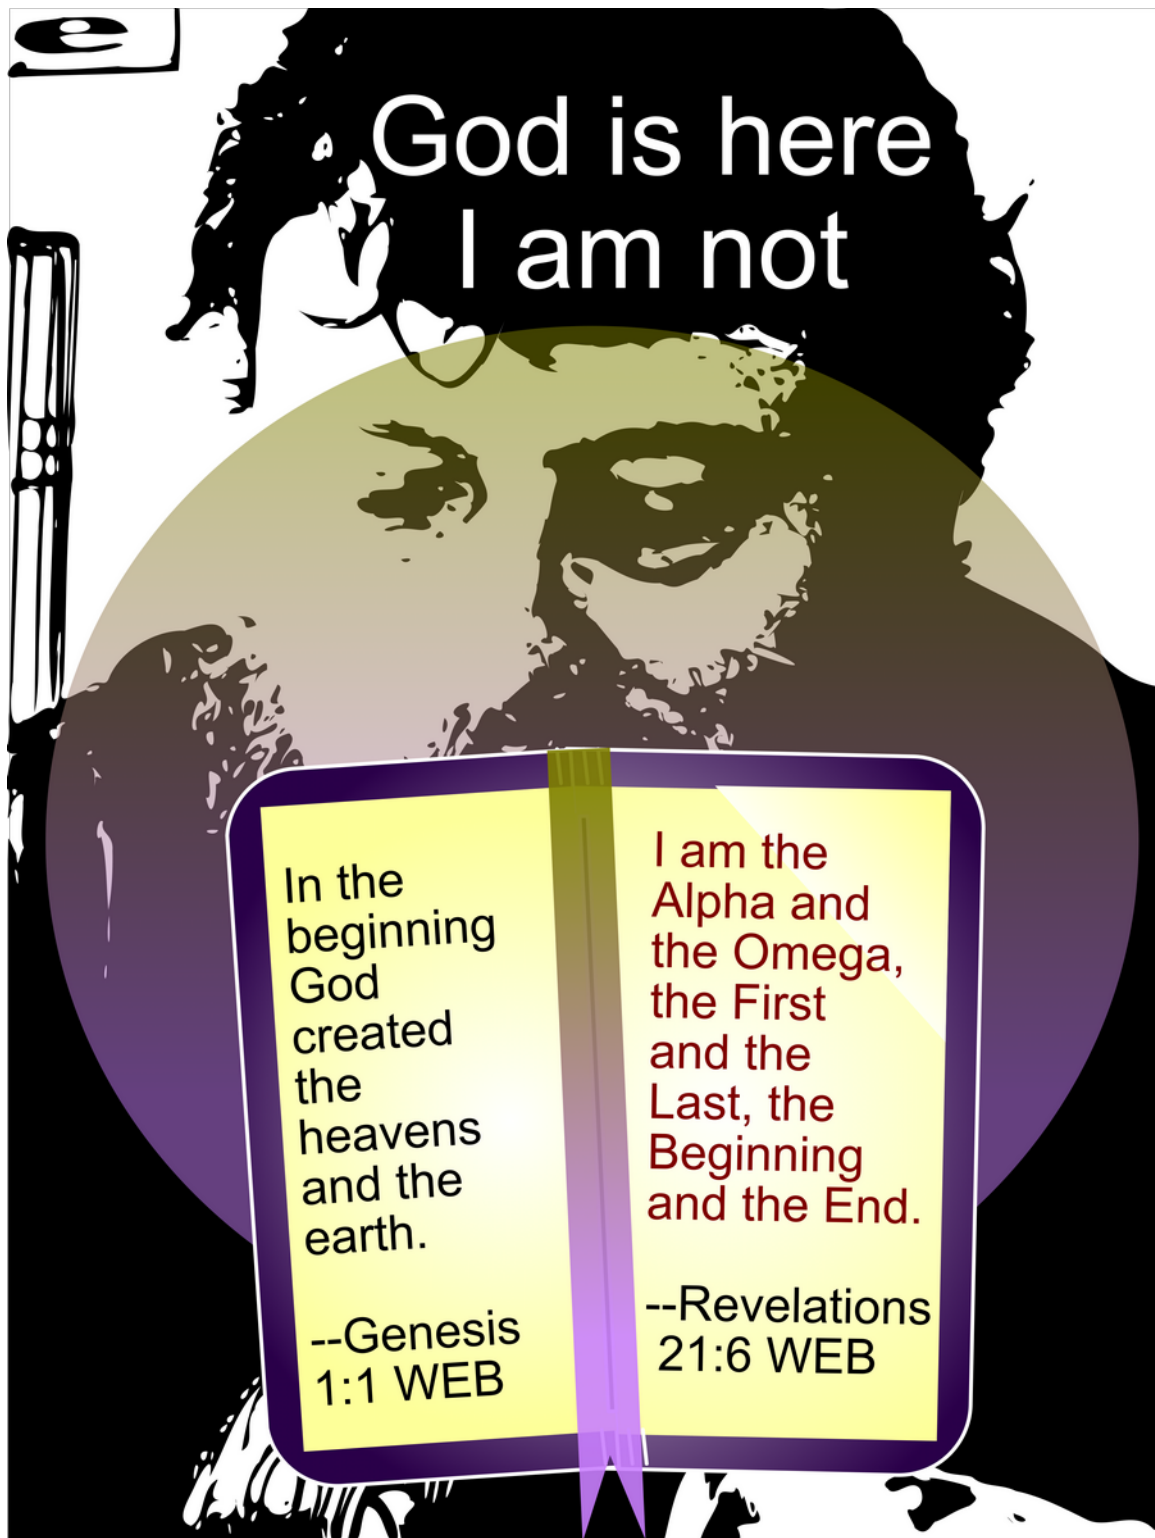

Ben Talking Delusions

1 self portrait with words
paranoia can't be reasoned
with on top in speaking
bubble coming from my
mouth with talking about
delusions on bottom in dark
cloud with tear drop next to
it

Ben Head Bandage

1 self portrait with head
bandage with cross on top
and 3 crosses blurred
together on left side and
words healing minds one at
a time on bottom

Ben Book Shine

1 self portrait with words
God is here - I am not on top
of my head with open Bible
below with ribbon bookmark
opened to page with words
of Genesis 1:1 on one side
and Revelations 21:6 on the
other side with shining
backdrop

Schizophrenia

**Accepting
the reality
of diagnosis**

Ben Diagnosis

1 self portrait in circle cut
frame with word
Schizophrenia on top of my
head with words accepting
the reality of diagnosis on
bottom over my beard
