Spiritual Progress

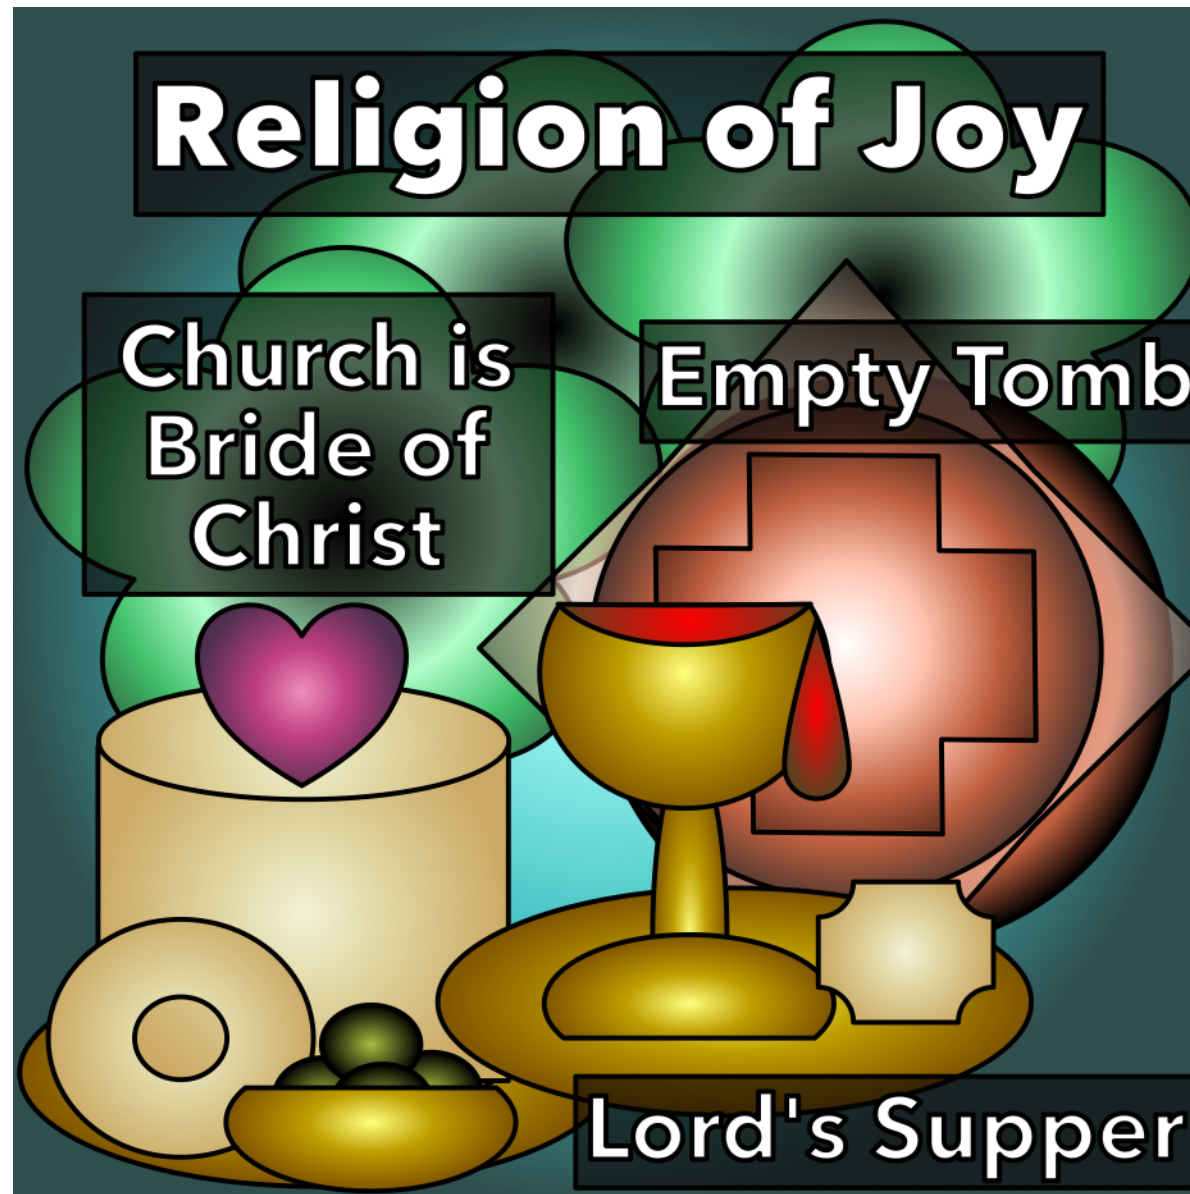

Progress is conflict between will and Holy Spirit in the form of speech, thoughts, and actions. This is the process of faith in action.

Religion and Joy

Church as Bride of Christ, the empty tomb, and the Lord's Supper are expressions of joy in the Christian religion.

God and Science

Question science but trust and follow
God with heart on top of double crosses
on top of another heart and jagged
glowing colored shapes.

Philosophy and Reality

Question reality and study philosophy
with gear on top of tree on top of 4
clouds on top of another tree
representing working hard to further
our knowledge base.

History and Politics

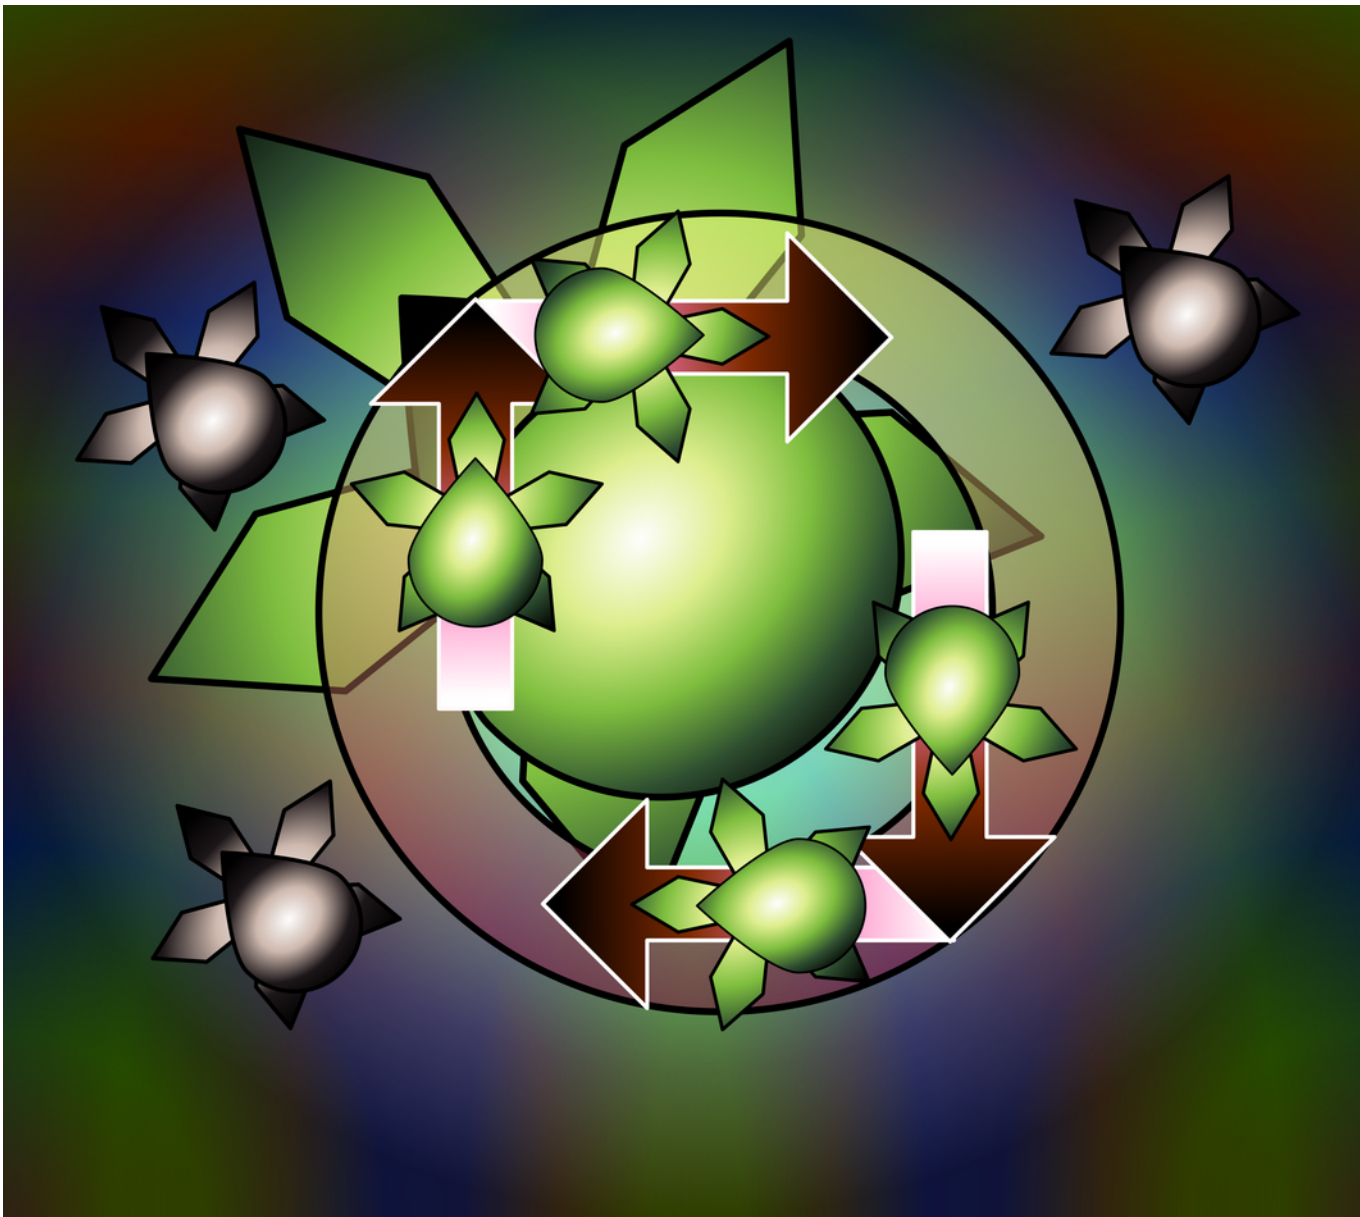

History is politics so study the Asian golden age with giant turtle and little turtles swimming with it and circle and arrows on top showing history going in cycles.

Brain and Stress

Brain malfunction is fueled by stress with hamster on wheel in brain going in circles and saying squeak. This is a common analogy of a hamster on a wheel being your thoughts in your head.

Brain Malfunction

Fueled by Stress
